EXTREME 7S

Mechanical unit	
engine	Fiat Ducato X250 3.0 JTD
wheel base	4035
displacement cm ³	3000 cc
maximum power EEC (HP)	160 cv
gear	6 + r.m.
rear drive	/
twin wheels	/
front drive	*
power steering	*
fuel tank	90L
Dimension and weights	
outside length	7.383
outside width	2.340
max outside height	3.150
inside height	2.150
ECC homologated seating places	4
max overall weight	3.500
thickness floor - walls - roof	44 - 30 - 30
dimension garage	850x1280
Beds	
sleeping capacity	5
drop down double bed	2200x1510
centre dinette single bed	2200X1225
centre dinette double bed	/
rear double bed	2200X1400
bunk bed	/
Tanks	
drinking water (inside)	L. 40 + 60
waste water (inside)	L.100
WC Thetford	L. 15
right water piping system	*
Trim level	
seat belts in home section and in cab	*
heating system	Webasto 5000 eco
forced air heater	*
electronic water heater	Lt.10
three - way Dometic	Lt. 150
outside fridge grille for inspection	*
cooker hood	*
cooker top Combinato Smev 4 stainless oven and grill	*
cooker top 3 stainless steel gas rings	/
liftable overcab deck	*
rear double bed modifiable in height electrically	o
toilet with separate shower	*
single-control mixer tap	*
Assembling Idroroll/ arrangement Idroroll	*
12V plug	*
LCD TV arrangement	*
control panel	*
power supply with unit	*
home section door with window c/w blind fly screen	*
fly screen home section door	/
window blinds and fly screen	Polyvision - Polyplastic
panoramic roof light Heki	Heki 3
Mini Heki sky light	*
built-in step	*
high density insulation	Polistirene espanso 30kg m ³
GRP side panels and roof	*
luggage rack with ladder	*
rear third stop light	*
outside storage compartment	*
parking stabilizers	*
garage ramp	*
Garage with tie down fixing points	*
